

Take a photograph

You selected \$0.03 per 100 points for your worker. Write this amount on a small (Post-it) piece of paper and take a picture of it using your webcam as shown below in the sample picture. Make sure you follow these guidelines when taking a photo. **Your HIT may not be approved if one or more of these guidelines are not followed.** This photo may be shown to your worker before he/she starts the task.

- 1. The written amount must be clearly visible.
- 2. Your face (or face of any other person) must NOT be visible.
- 3. Try to avoid showing any jewelry/watches/tattoos/markings etc.
- 4. You MUST show part of your hand.
- 5. Use a plain background, if possible.
- 6. Do NOT write anything on the paper other than the amount you choose to transfer to your worker.

Here is a sample picture for a hypothetical choice of \$0.00.
