

Bonus Rate

Just for a moment, imagine yourself as the boss. What bonus rate do you think you would choose for your worker?:

\$0.06

Before you see the bonus rate chosen by your boss, please select your best guess of what your boss would have chosen. This will not have any affect on the rate which has already been chosen by your boss. You will be paid extra 5 cents if your guess is correct.

\$0.00

Your boss has chosen a bonus of **\$0.00 per 100 points** for you;
