Control Questions

Answer the following questions correctly before you can proceed with the experiment. Feel free to refer again to the instructions by clicking the button above.

MTurk Worker ID:

1. What are you supposed to do in this experiment?

- ● Work on a task for 10 minutes.
- ○ Select a bonus rate for a team-member/worker who will work on a task.
- ○ Select a bonus rate and work on a task.

2. Who selects the bonus rate for you?

--------- ▼

3. Your boss selects a bonus rate for you from among 4 different choices. What is the lowest bonus rate (in cents per 100 points) that he/she can select?

4. Similarly, what is the maximum bonus rate (in cents per 100 points)?

5. The more points you score, the higher is your and your boss's earnings for any positive bonus rate:

--------- ▼

6. Higher bonus rate for you means lower bonus rate for your boss.

--------- ▼
